PROFILE SUMMARY

With a Ducat training certificate in hand, I am proficient in HTML, CSS, JavaScript, SQL Server, C#, ASP.NET, ASP.Net MVC, API, and ADO.NET. My HSC score of 79% in Uttar Pradesh board demonstrates my strong educational foundation. I am passionate about leveraging these skills to excel in internships and gain real-world experience to further enhance my abilities. I am eager to explore opportunities that allow me to contribute meaningfully to a dynamic team and to continue learning and growing in the field of web development and programming.
